

PRSC 2015 Spring Series

Parramatta River Sailing Club's 2015 six race spring series saw very close racing across both divisions, in a variety of breezes and courses. The series was most enjoyable, seeing two races up around Cockatoo Is and back plus local legs, and four around the local courses stretching from Morrisons to Lukes Bay and numerous in between.

The series overall handicap results went down to the very last legs of the final race, held in a gusty 12-20 knot south easter.

In Division 1 the Etchells22 Axis of Evil (G Dempsey) won from Adams10.6 Still Festering (P O'Brien) and Adams10 League of Extraordinary Gentlemen (B Wilson) – only 1 point separating each boat.

In Division 3 the Farr727 Roustabout (R Widders) won from the Compass750 A Fine Balance (J Carlile) and Crossfire20 Xena Warrior Princess (C Howe).

The club's Summer Series now starts, and the Long Course, Special Trophies and Twilight series continue.

The most friendly and laid back sailing club in Sydney welcomes new skippers and crew - see www.prsc.org.au for details - or attend the club at the end of Wharf Road Gladesville any Saturday afternoon scheduled races are on.
